

Start

7:00

- Discussed the weekly team meeting
 - Joining the CDC
 - What skills we all bring to the table
- Discussed what our project is
 - Making another device for the CDC
 - Building off another team?
 - Familiarize ourselves with the work of the previous team
 - Come up with additional possible devices
 - Flashy demo
- TA gave advice
 - Find out what is not wanted
 - Q-If we have roles, can we change them?
 - Yes, but save a copy of the older version for record-keeping
 - Next week, make sure 1 person attends the lecture to take notes on the upcoming assignment
 - Never hurts to do extra research even without being asked to do so
